ORDER

Before the Court is the Report and Recommendation (*see* Doc. # 93) of United States Magistrate Judge William A. Knox regarding defendant Robert Allen Hocks' Motion to Suppress Evidence (Doc. # 75). On November 7, 2008, defendant Hocks filed Objections to the Report and Recommendation. Defendant Hocks argues that the search warrant affidavit omitted material information critical to the probable cause determination. Specifically, defendant argues that the entire affidavit is based upon the statements of the "cooperating citizen" and, therefore, lacks sufficient probable cause. However, after considering defendant's objection, the Court disagrees. After making a thorough review of the record and applicable law, the Report and Recommendation of the Magistrate Judge in this case is both thorough and well-reasoned. This Court agrees with the recommendation and sees no reason to comment further.

Accordingly, it is hereby

ORDERED that defendant Robert Allen Hocks' Motion to Suppress Evidence (Doc. # 75) is denied.
